Introduction

The NSS unit of KCT's Late G. N. Sapkal College of Engineering actively participated in the "*Nirmal Phery Activity*," a community initiative organized by the Sakal Media Group. This event focused on cleaning and maintaining *Phery Marg*, a significant path used by devotees during the auspicious 3rd Monday of the *Shravan* month. The event took place on August 28, 2018, and it aimed to contribute to the cleanliness and overall well-being of this sacred pilgrimage route.

Objective:

1. To actively participate in a community initiative aimed at maintaining and cleaning the *Phery Marg*.
2. To raise awareness about the importance of cleanliness and civic responsibility among NSS volunteers and the local community.
3. To support the smooth and hygienic passage of devotees during the *Shravan* month.

The *Nirmal Phery Activity* included the following activities:

1. Cleaning and Maintenance:

NSS volunteers, in collaboration with local residents and other participants, actively engaged in cleaning and maintaining the *Phery Marg*. This included the removal of litter, debris, and other forms of waste to ensure a clean and safe passage for devotees.

2. Awareness Campaign:

Throughout the event, an awareness campaign was conducted to educate volunteers and participants about the significance of cleanliness, hygiene, and civic responsibility. The importance of preserving the sacredness of the *Phery Marg* was emphasized.

3. Volunteer Coordination:

NSS volunteers played an instrumental role in coordinating and facilitating the cleaning activities. Their efforts were vital in ensuring the successful execution of the event.

Impact and Feedback:

The *Nirmal Phery Activity* had a significant impact on the cleanliness and overall environment of the *Phery Marg*. The collective efforts of NSS volunteers and other participants resulted in a cleaner and more hygienic path for devotees during the *Shravan* month. The initiative was well-received by the local community, and participants expressed their satisfaction with the event.

Conclusion:

The NSS unit of KCT's Late G. N. Sapkal College of Engineering made a valuable contribution to the *Nirmal Phery* Activity, emphasizing the importance of cleanliness and civic responsibility. This event not only facilitated a cleaner passage for devotees but also promoted a culture of environmental consciousness and community engagement. This report summarizes the NSS unit's participation in the *Nirmal Phery* Activity.
