## PROGRAM REPORT

**Title of the Program:** NSS Volunteers' Mime Act on Road Safety Awareness at the Annual College Function Astitva 2020.

**Date(s):** 18/02/2020      **Duration:** 01 day

**Venue:** Sapkal Knowledge Hub Campus, SKH, Tal. Trimbakeshwar, Dist. Nashik.

**Details of Participants:** 20

### **Introduction:**

The NSS Volunteers Group of KCT's Late G. N. Sapkal College of Engineering took a creative and impactful initiative by performing a mime act on the subject of road safety awareness during the college's annual function Astitva 2020. The primary objective of this activity was to utilize the art of mime to both entertain and educate the audience on the crucial issue of road safety.

### **Activity Details:**

#### **Preparation and Rehearsals:**

Prior to the annual function, the NSS volunteers dedicated their time and effort to prepare for the mime act. They worked on scripting, choreography, and rehearsals to ensure a seamless and engaging performance.

#### **Incorporating Road Safety Messages:**

The script and choreography were carefully crafted to incorporate key road safety messages. The mime act aimed to highlight the importance of safe driving, obeying traffic rules, and being responsible road users.

#### **Performance at the Annual Function:**

During the college's annual function, the NSS Volunteers Group took the stage in front of an audience of more than 3,000 people. They used their acting talents to present a compelling mime act, focusing on road safety scenarios and the consequences of both responsible and irresponsible behavior on the road.

#### **Engaging the Audience:**

The volunteers skillfully engaged the audience with their performances, eliciting laughter and applause while also conveying the serious message of road safety. The combination of entertainment and education captivated the audience's attention.

#### **Interactive Session:**

Following the mime act, the NSS volunteers conducted an interactive session with the audience. They encouraged discussions about road safety, answered questions, and provided tips on how individuals can contribute to making the roads safer.

#### **Distribution of Road Safety Material:**

The NSS Volunteers Group distributed road safety pamphlets and brochures to the audience, providing them with additional information and resources to promote safe road practices.

**Impact and Conclusion:**

The NSS Volunteers' Mime Act on Road Safety Awareness at the Annual College Function was a resounding success, leaving a lasting impact on the audience. By combining entertainment with a vital message, the volunteers effectively spread awareness about road safety to a large and diverse crowd.

The activity not only entertained and engaged over 3,000 attendees but also educated them on the importance of responsible road behavior. It served as a creative and memorable way to drive home the message of road safety, encouraging individuals to be more cautious and considerate while on the road.

The NSS Volunteers Group at KCT's Late G. N. Sapkal College of Engineering demonstrated their commitment to using their talents and creativity to address important societal issues. This initiative highlighted the power of art and performance as a means of communication and education. The group continues to be a driving force in promoting social awareness and community service.
