Introduction -

In response to the ongoing challenges presented by the Covid-19 pandemic, the NSS Unit of KCT's Late G. N. Sapkal College of Engineering organized a noteworthy NSS Day Celebration on September 24, 2020, conducted entirely online. The focus of the event was to rejuvenate students, provide motivation for their future careers, and instill a sense of social responsibility and commitment to NSS activities. The day's highlight was a comprehensive Personality Development Program, featuring distinguished guests Mr. Vinayak Rajguru, a Presidential award winner, and Mr. Manodip Thakur, a former NSS volunteer.

The program began with an inaugural session, wherein the significance of NSS and the day's agenda were highlighted. A warm welcome was extended to the esteemed guests, participants, and faculty members who joined virtually.

Personality Development Program:

The heart of the celebration was the Personality Development Program, aimed at equipping students with essential skills for personal and professional growth. Mr. Vinayak Rajguru, a distinguished personality and recipient of the Presidential award, shared valuable insights and practical tips on personal development, goal setting, and leadership. Mr. Manodip Thakur, with his experiences as a former NSS volunteer, added a unique perspective, emphasizing the role of community service in shaping one's character.

The program included interactive sessions where students had the opportunity to directly engage with the guest speakers. This allowed for a dynamic exchange of ideas, questions, and experiences, enriching the learning experience for everyone involved.

Motivational Talks:

Both Mr. Vinayak Rajguru and Mr. Manodip Thakur delivered motivational talks that inspired students to overcome challenges, set ambitious goals, and contribute meaningfully to society. Their

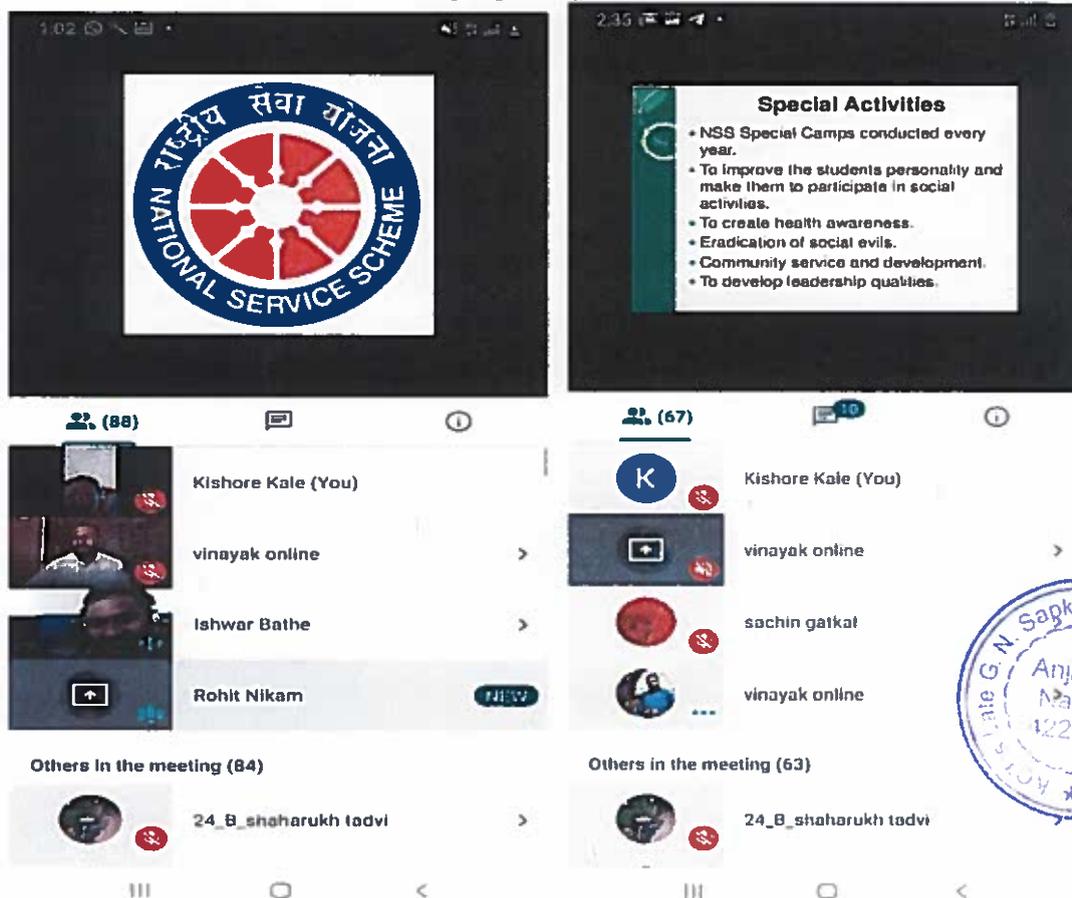

stories served as powerful examples of how determination and a commitment to social service can lead to personal and professional success.

A question-and-answer session provided students with a platform to seek guidance on various aspects of personal and professional development. The insightful responses from the guests enriched the discussion and addressed the specific concerns and aspirations of the student community.

The event concluded with a closing ceremony, expressing gratitude to the esteemed guests for their valuable contributions. Students were encouraged to apply the insights gained from the Personality Development Program in their academic and personal pursuits.

The NSS Day Celebration with the Personality Development Program organized by KCT's Late G. N. Sapkal College of Engineering was a resounding success in not only addressing the challenges posed by the pandemic but also in revitalizing and motivating students. The invaluable guidance provided by Mr. Vinayak Rajguru and Mr. Manodip Thakur will undoubtedly leave a lasting impact on the students, fostering a sense of purpose and a commitment to both personal growth and community service in the post-pandemic era.
