PROGRAM REPORT

Title of the Program: Eye Checkup Camp at *Pegalwadi* Village.

Date(s): From 01/03/2022 **to** 01/03/2022   **Duration of the Camp** – 1 Day

Venue: *Pegalwadi* Village, Taluka Trimbakeshwar, Dist. Nashik.

Details of Participants: 50

Name of the Contact Person: Mr. Hemant Ise, Shriram Eye Clinic, Nashik.

Introduction:

The NSS Department of Late G. N. Sapkal College of Engineering conducted an "Eye Check-up Camp" as part of our commitment to community well-being, the camp was conducted in collaboration with Shriram Eye Clinic, Nashik.

Collaborative Effort:

The Eye Check-up Camp was a collaborative effort between the NSS Department of our college and Shriram Eye Clinic, Nashik. Mr. Hemant Ise, representing Shriram Eye Clinic, played a pivotal role in coordinating the camp alongside Prof. K. W. Kale, the NSS Program Officer from our college.

The primary objective of this camp was to provide free eye check-up services to the villagers of *Pegalwadi*, thereby promoting eye health and early detection of vision-related issues.

Fifty NSS student volunteers actively participated in this noble initiative, which successfully catered to the eye health needs of more than 100 villagers. The participation of these volunteers played a crucial role in organizing and executing the camp efficiently.

Camp Activities:

1. Registrations: The NSS student volunteers managed the registration process, ensuring that all villagers interested in the eye check-up camp were accounted for.

2. Community Outreach: Volunteers engaged in community outreach efforts, reminding villagers to be present at the camp location and highlighting the importance of eye health.

3. Assistance to seniors: Special care was taken to assist senior citizens. Volunteers accompanied them to the check-up area, ensuring their comfort, and later helped them to return safely to their homes.

Educational Impact:

The Eye Check-up Camp served as an educational experience for both the villagers and the student volunteers. Villagers gained awareness about the importance of regular eye check-ups and early detection of eye-related problems, while the volunteers learned the significance of community service and healthcare accessibility.

Conclusion:

The Eye Check-up Camp organized during the NSS 7-day Residential Camp at *Pegalwadi* was a heart-warming initiative aimed at improving the eye health of the village community. It was a testament to the power of collaboration between our college's NSS Department and Shriram Eye Clinic, Nashik.

We express our gratitude to the 50 NSS student volunteers who dedicated their time and effort to make this camp a success. The effective coordination between Prof. K. W. Kale, the NSS Program Officer, and Mr. Hemant Ise from Shriram Eye Clinic, Nashik, ensured that this initiative had a meaningful impact on the community.

We believe that this camp will inspire continued efforts to promote eye health and healthcare accessibility in *Pegalwadi* and other communities.
