Introduction:

The NSS Department of Late G. N. Sapkal College of Engineering conducted a 7-day Residential Camp at *Pegalwadi*, located in Taluka Trimbakeshwar, from February 24, 2022, to March 02, 2022. As part of our commitment to community engagement and social awareness, the camp featured a series of street plays designed to create public awareness on various vital topics, including Clean India, Gender Equality, Girl Child Education and Drug De-addiction.

Street Plays for Public Awareness:

During the course of the camp, all our students actively participated in the street plays. These plays served as a dynamic platform for conveying important messages to the local community. Each play focused on a specific social issue, and our students played various roles and responsibilities in delivering these powerful messages.

Topics Covered:

1. Clean India: A street play highlighted the importance of cleanliness, sanitation, and the *Swachh Bharat Abhiyan*. It aimed to inspire the villagers to actively participate in keeping their surroundings clean and to avoid use of plastic for sustainable and clean environment.
2. Gender Equality, Girl child education and drug de-addiction: Another street play addressed the significance of gender equality and the importance of empowering women. It aimed to challenge stereotypes and promote equal opportunities for all. Shed light on the dangers of drug addiction and emphasized the need for rehabilitation and support for those affected. It aimed to create awareness and encourage a supportive community.

Educational and Creative Impact:

The street plays were a valuable learning experience for our student volunteers. They learned how to effectively express their views and educate others through creative means. Through the medium of drama, they tackled important social issues, helping to break down complex topics into relatable and actionable messages.

Community Response:

The villagers of *Pegalwadi* thoroughly enjoyed and appreciated the creativity and efforts put forth by our NSS volunteers. The street plays not only entertained but also educated the audience, leaving a lasting impact on the community.

Conclusion:

The street plays conducted during the NSS 7-day Residential Camp at *Pegalwadi* were a significant step toward creating public awareness on crucial social issues. They showcased the power of creativity and theatre in conveying messages that can bring about positive change in society.

We commend the dedication and enthusiasm of all our student volunteers who actively participated in these plays, as well as the support and coordination provided by Prof. K. W. Kale, our NSS Program Officer, and other colleagues from our college. We hope that the knowledge and awareness imparted through these street plays will lead to a more informed and socially responsible community in *Pegalwadi* and beyond.
