This event sought to foster creativity while spreading essential knowledge about AIDS prevention and awareness.

Program Overview:

The Poster Competition was meticulously organized, with the participation of students from various institutes within the Sapkal Knowledge Hub. The competition provided an opportunity for students to express their creativity and engage in meaningful discussions about AIDS. Distinguished guests, including our Principal, Dr. S. B. Bagal, and experts in the field, added depth and insight to the event.

Event Highlights:

The core theme of the competition was "AIDS Awareness." Students were tasked with creating visually captivating posters that conveyed vital messages related to AIDS prevention, understanding, and compassion for those affected by the disease. These posters served as effective tools to convey complex issues in a visually engaging manner.

Mr. Yogesh Pardeshi, the District Programme Officer (DPO) of District Hospital Nashik, delivered a comprehensive and informative session on AIDS. His expertise and insights provided attendees with a deeper understanding of AIDS, including its transmission, prevention, and treatment. His presence greatly enriched the students' knowledge of AIDS-related issues.

Dr. Mandakini Barve, the Medical Superintendent at SHD, Trimbakeshwar, made significant contributions to the event. Her presence underscored the importance of medical awareness and healthcare in the fight against AIDS. Her insights were invaluable in highlighting the healthcare aspect of AIDS awareness. Also We would like to acknowledge the presence of Mrs. Sunita Borse from DAPCU, Nashik, who also joined us for this event.

We are also pleased to recognize the presence of Mr. Yogesh Khurdal, District Supervisor from District Hospital, who played a crucial role as the coordinator of the program from DAPCU, Nashik. His coordination and support were instrumental in the success of the event.

To recognize the students' contributions to AIDS awareness, certificates of participation were awarded to all participants. Additionally, the top two winners of the Poster Competition were acknowledged for their exceptional work. They received cash prizes along with certificates, serving as an incentive for students to actively engage in future awareness activities.
