PROGRAM REPORT

Title of the Program: *Dindi Seva* Activity

Date(s): From 13/06/2022 to 13/06/2022 **Duration:** 01 day

Venue: Beze Phata, Sapkal Knowledge Hub Campus, Anjaneri.

Details of Participants: 50

Introduction:

The "*Dindi Seva*" activity organized by KCT's Late G. N. Sapkal College of Engineering on 13 June 2022. This activity was aimed at distributing food to the needy and devotees participating in the *Dindi* procession of Saint *Nivruttinath Maharaj*, which extends from Trimbakeshwar to Pandharpur. The primary objective of this initiative was to extend our social responsibility by offering help in the form of food and water to the devotees on their arduous journey while also creating awareness about cleanliness and thus Swachh Bharat.

The *Dindi* procession is a sacred pilgrimage undertaken by devotees who travel a long distance on foot from Trimbakeshwar to Pandharpur to honour Saint *Nivruttinath Maharaj*. This religious journey holds immense significance in the hearts of devotees, and it draws thousands of participants each year. As responsible citizens and members of the National Service Scheme (NSS), our institution felt a moral obligation to support these pilgrims by providing essential sustenance and promoting cleanliness throughout their pilgrimage.

The key objectives of the "*Dindi Seva*" activity were as follows

1. To distribute food and water to the needy and devotees participating in the *Dindi* procession.
2. To raise awareness about the importance of cleanliness during the pilgrimage.
3. To actively engage NSS volunteers in a meaningful social service activity.

Activity Details:

On 13 June 2022, a team of dedicated NSS volunteers from our institution actively participated in the "*Dindi Seva*" activity. The following activities were carried out:

- Food and water distribution: Our NSS volunteers set up food distribution points along the route of the *Dindi* procession. We provided nutritious and hygienically prepared food packets, including meals and refreshments, to the pilgrims.
- Awareness Campaign: In addition to food distribution, we conducted an awareness campaign on cleanliness. We distributed pamphlets and interacted with the devotees to emphasize the importance of maintaining cleanliness during their journey.
- Volunteer Engagement: Our NSS volunteers worked tirelessly throughout the day to ensure the smooth execution of the activity. They displayed a high level of dedication and enthusiasm.

Impact:

- Thousands of pilgrims received much-needed food, water and sustenance during their arduous journey.

- Awareness about cleanliness was effectively raised, and many devotees actively participated in keeping the environment clean.
- Our NSS volunteers gained valuable hands-on experience in social service, fostering a sense of responsibility and empathy.

Conclusion:

In conclusion, the "Dindi Seva" activity organized by KCT's Late G. N. Sapkal College of Engineering on 13 June 2022 was a resounding success. It not only provided essential support to the devotees but also promoted the values of social responsibility and cleanliness. The active participation of our NSS volunteers was instrumental in making this initiative a triumph.

I express my gratitude to you and the college administration for supporting and encouraging such socially responsible initiatives. We look forward to continuing our efforts in making a positive impact on society through such activities.
