

## **Title of the Program: Webinar on “Career in Data Science”**

**Number of Day(s): 01 Day**

**Dates(s) of Conduction:**

**From 28/08/2020 to 28/08/2020**

**Venue: Late G. N. Sapkal college of Engineering, Nashik**

**Number of Participants:50**

### **Program Objectives:**

1. Prepared students for work with new technology
2. How to start career in Data science

### **Name & Contact Details of the Resource Person(s):**

Dr. Ramchandra Satyadeo Tiwari

Technical Director, Cognifront, Nashik

Ex-Director, School of Computer Science,

YCM Open University, Nashik-5

**Mobile:** 9422245764

**email :**

tiwari.nashik@gmail.com

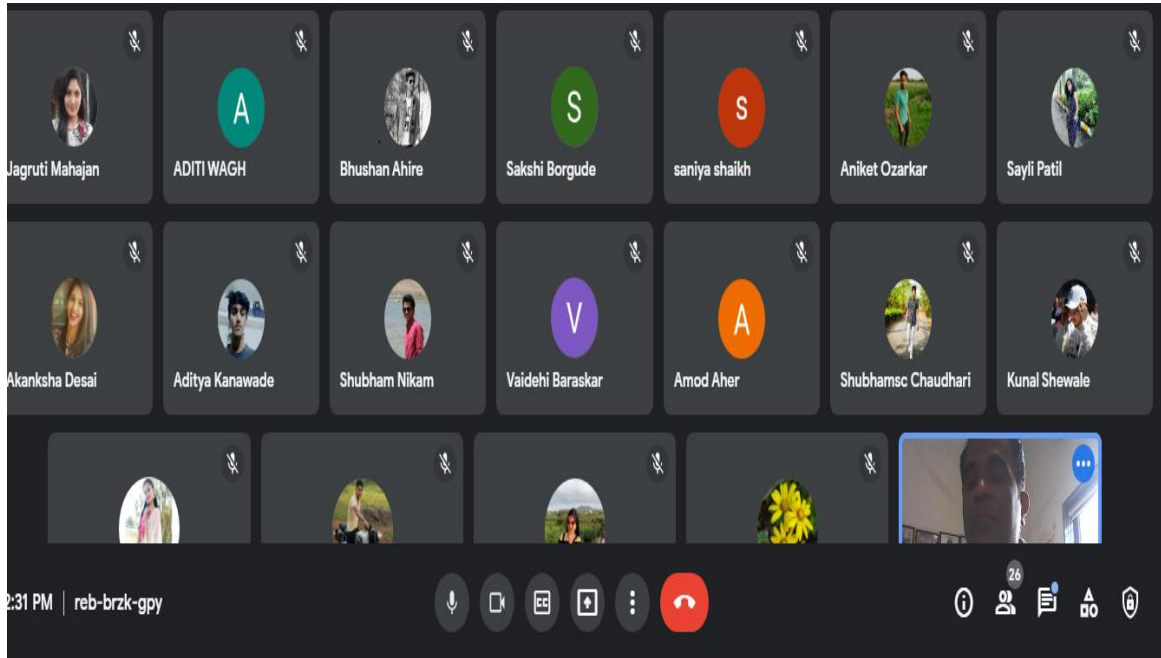

### **Description / Explanation of the Program:**

Department of Computer Engineering has organized Session on “Career in Data science “conducted by. Around 50 students from Computer Engineering were present for the workshop. Give good guidance for career in Data science. Sir also give knowledge about How to extract, analyse and interpret large amounts of data from a range of sources, using algorithmic, data mining, artificial intelligence, machine learning and statistical tools, in order to make it accessible to businesses. Career opportunities in data science. You can work across a range of areas, including: finance, academia, scientific research, health, retail .information technology, government, ecommerce. Nice session Conducted by Dr.Tiwari which helpful to students

### **Outcome of the Talk / Event:**

1. Students will able to study data science
2. Work on different datasets
