## PROGRAM REPORT

**Title of the Program:** Expert talk on "Interpersonal Skill & Leadership Quality"

**Date(s):** 31/10/2023

**Duration:** 01 days

**Venue:** SE Classroom

**Details of Participants:** SE students

**Objective:** 1) to improve communication skill.

2) For conflict management

3) Improve skill like listening, empathy, influencing.

### **Summary of Program:**

Interpersonal skills are a prerequisite to building partnerships and a collaborative team environment. Our resource person Ms Archana Deshmukh madam covered - **How Should Leaders Improve Interpersonal Skills?**

### **Self-Reflection and Assessment**

Start by reflecting on the current interpersonal skills and identifying areas for improvement. Next, consider seeking feedback from colleagues, team members, and mentors to gain valuable insights into your strengths and areas that need development.

### **Enhance Communication Skills**

Effective communication is a cornerstone of interpersonal skills. Hone your organization's communication abilities by practicing active listening, using clear and concise language, and adapting your communication style to different individuals and situations. Seek opportunities to

improve written and verbal communication through workshops, courses, or working with a communication coach.

### **Develop Empathy and Emotional Intelligence**

Empathy and emotional intelligence are crucial for understanding and connecting with others. Cultivate empathy by actively listening, showing genuine interest in other's perspectives, and considering their emotions and experiences

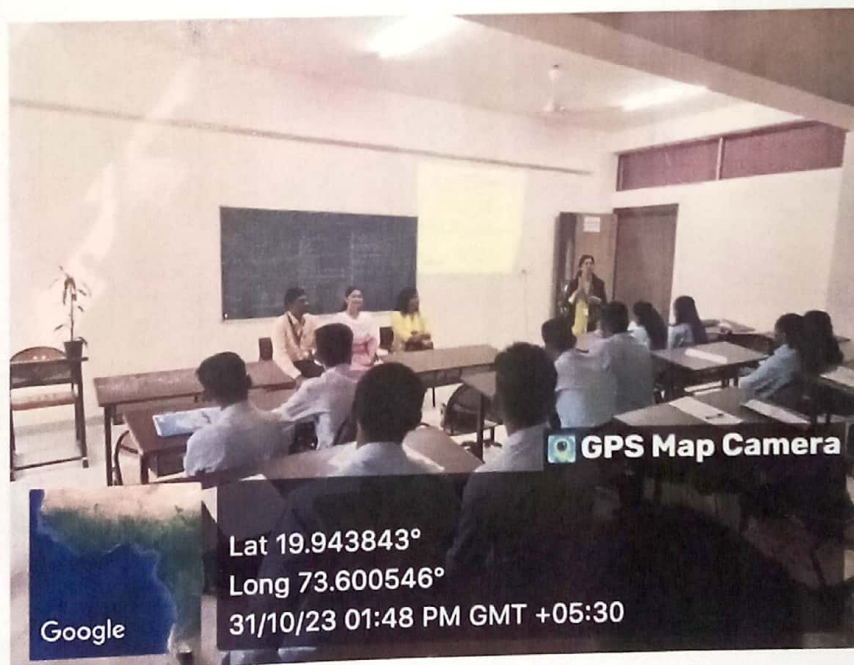

### **Practice Conflict Resolution and Negotiation**

Conflict is inevitable in any workplace. However, leaders with strong interpersonal skills are adept at resolving conflicts constructively and collaboratively.

### **Build Relationships and Networks**

Strengthening interpersonal skills involves building and nurturing relationships with team members, colleagues, and stakeholders.
