

PROGRAM REPORT

Title of the Program: Skill Development programme on Advanced Quality Management Techniques
Number of Day(s): 01 **Dates(s) of Conduction:** 20/01/2024
Venue: Main Seminar Hall **Mode of Programme:** Offline
No. of Participants: 107 Students
Participants: BE Mechanical, BE Electrical, BE Civil
Name of Resource Person: Mr. Bhagyesh P. Kulkarni, Quality Austria Central Asia Pvt. Ltd.

Introduction

The "Advanced Quality Management Techniques: A Comprehensive Skill Development Program" was organized to enhance participants' understanding and application of quality management principles. This program aimed to equip professionals with the necessary skills to implement advanced quality management techniques in their respective organizations, fostering a culture of continuous improvement and excellence.

Objectives

The primary objectives of the program were:

1. To provide an in-depth understanding of advanced quality management concepts.
2. To train participants in the application of various quality management tools and techniques.
3. To enhance problem-solving and decision-making skills related to quality management.
4. To promote the implementation of best practices in quality management across different industries.

Program Structure

The program was structured for the one day, each focusing on different aspects of quality management. The structure included lectures, interactive sessions, hands-on workshops, and case studies to ensure a holistic learning experience.

1: Introduction to Advanced Quality Management

Overview of Quality Management Systems (QMS)

Evolution and importance of quality management

Key principles and concepts of advanced quality management

2: Tools and Techniques for Quality Improvement

Six Sigma methodology

Lean management principles

Total Quality Management (TQM)

Statistical Process Control (SPC)

3: Quality Planning and Assurance

Quality planning strategies

Developing quality assurance plans

Risk management in quality planning

Quality audits and assessments

4: Implementing Quality Management Systems

Steps to implement a QMS

Integrating QMS with business processes

Case studies on successful QMS implementation

Overcoming challenges in QMS implementation

5: Continuous Improvement and Innovation

Strategies for continuous improvement

Role of innovation in quality management

Best practices for fostering a culture of quality

Group discussions and presentations

Key Highlights

Expert Lectures: Delivered by industry experts and experienced quality management professionals.

Interactive Workshops: Engaged participants in practical exercises and real-world scenarios.

Case Studies: Provided insights into successful quality management implementations in various industries.

Networking Opportunities: Facilitated interaction among participants, allowing for the exchange of ideas and best practices.

Outcomes

Participants of the program reported significant improvements in their understanding of advanced quality management techniques. They gained practical skills that could be directly applied to their work environments. The program also helped in identifying areas for improvement within their organizations and developing actionable plans to address these issues.

Speaker Session

Participants of the Programme

Conclusion

The "Skill development programme on Advanced Quality Management Techniques" was successful in achieving its objectives. It provided participants with the knowledge and skills necessary to enhance quality management practices within their organizations. The program underscored the importance of continuous learning and innovation in maintaining high standards of quality in today's competitive business environment.

INVITATION

To,

Mr. Bhagyesh P Kulkarni

Quality Austria Central Asia Pvt. Ltd.

Dear Sir,

I am delighted to ask you to lead a professional session on "**Skill Development programme on Advanced Quality Management techniques**" for the students of Final year Mechanical, Civil and Electrical Engineering. The session is organized by Department of Mechanical Engineering in Association with Training and Placement cell and Internal Quality Assurance Cell (IQAC) on Saturday, **January 20, 2024**, 10.00 a.m. onwards.

We will be grateful if you could share your knowledge on the aforementioned subject. Please confirm your availability so that we can make the appropriate arrangements.

Looking forward to your response.

Prof. (Dr.) S. B. Bagal
Principal

Department of Mechanical Engineering

Notice

All the Final year Students of Mechanical Engineering Departments are hereby informed that, the one day seminar on “Skill Development programme on Advanced Quality Management techniques” is organized by Department of Mechanical Engineering in association with TPC and IQAC at our college in ‘Main Seminar Hall’ on Thursday, 20th January 2024.

Time 10:00 am. To 4.00 pm.

All are instructed to attend the same.

Prof. M. V. Jadhav

Programme Coordinator

Prof. (Dr.) T. Y. Badgujar

HOD, Mechanical Engg.

PROGRAM REPORT

**Title of the Program: Expert talk on "Stress Management & Problem Solving"
on occasion of World Mental Health Day-10 oct**

Date(s): 14/10/2023

Duration: 01 days

Venue: Seminar hall

Details of Participants: SE, TE, BE students

Objective: 1) Reduce Stress Levels.

2) Improve Mental Well-Being.

3) Enhance Physical Health

4) Strengthen Relationships

Summary of Program:

The main objective of stress management is to reduce or eliminate the negative effects of stress on a person's physical, emotional, and mental well-being. This includes improving one's ability to cope with stress, enhancing overall health and productivity, and improving relationships with others.

Our resource person Dr Pramila Pawar madam covered many points related to stress management like-

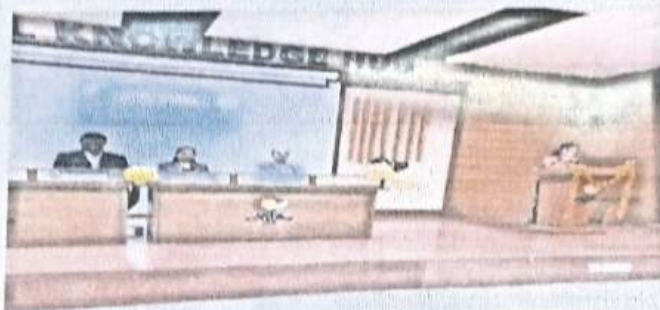

1. Identifying the sources of stress in one's life

2. Developing effective coping strategies to manage stress
3. Reducing the frequency and intensity of stress responses
4. Enhancing overall physical and mental health and well-being
5. Improving relationships with family, friends, and colleagues
6. Increasing productivity and job satisfaction
7. Learning to balance work and personal life
8. Increasing self-awareness and self-regulation
9. Developing a positive mindset and attitude
10. Enhancing resilience and the ability to bounce back from setbacks.

This was very interactive session. She has taken many activities for students and staff.

Subject: - Invitation letter to deliver a Seminar on "Stress Management and Problem solving".

Respected Madam,

We are pleased to invite you to deliver a Seminar on "Stress Management and Problem solving" on the occasion of "World Mental Health Day - 10th October 2023" organized by Electrical Engineering Students Association (EESA) of Electrical Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of all departments of our college. Kindly provide convenient date for valuable webinar.

The tentative day, date and time for this program is Saturday, 14th October, 1.15 PM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards,
Yours Sincerely,

Shukla

Subject: - Conduction & Appreciation Letter

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering & Electrical Engineering Students Association (EESA) of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted "Stress Management and Problem solving" on 14 October 2023.

On behalf of our institute we take this opportunity to express our appreciation to you for expert talk. It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Thanking You,

With warm regards.
