Subject: Regarding conduction of Workshop on Financial Literacy Workshop.

Respected Mam,

We glad to inform you that Department of Computer Engineering is organizing the two days Workshop on Financial Literacy Workshop 25/09/2023 to 26/09/2023.

It will be great honor for us if you can appoint one faculty like you to conduct the personal counseling in our institute.

Looking forward for your valuable guidance.

Thanks and Regards.

Description / Explanation of the Program:

Kalyani Charitable Trust's LATE. G. N. SAPKAL COLLEGE OF ENGINEERING of Computer Engineering department organized two day's workshop on Financial Literacy. The event begins with an insightful financial literacy refers to the ability to understand and apply different financial skills effectively, including personal financial management, budgeting, and saving. Financial literacy makes individuals become self-sufficient, so that financial stability can be accomplished. Through a series of workshops and sessions, attendees gain practical insights and tools, empowering them to effectively implement their new found knowledge in real-world scenarios. They delve into crucial aspects like assessing the best strategies for financial literacy. Financial literacy is the ability to understand and

effectively use various financial skills, including personal financial management, budgeting, and investing.

Outcome of the Talk / Event:

1. Participants will be introduced to emerging technologies and trends influencing the future of financial literacy.

2. Attendees will be equipped to apply their newly gained knowledge practically, making informed decisions regarding financial literacy.

3. The expert talk will facilitate engagement among participants, encouraging interaction, discussions, and networking opportunities with speakers, industry professionals, and fellow students, fostering a community interested in financial literacy.

PROGRAM REPORT

Title of the Program: "Present Around The Network-24. (PATN-24)"

Date: 06/03/2024   **Duration:** 06:00 hrs.

Venue: Main Seminar Hall (G.N.Sapkal COE Nashik.)

Details of Participants: Female =30   Male= 37   Total= 67

Present around the Network-2024, (PATN-2024) is the IET supported presentation competition for students aged 18 to 30. Competitors are asked to give a presentation for 10 minutes on a subject related to engineering and technology, and to answer questions for a further five minutes. The event is mainly to judge presentation skills, although the topic was appropriate to the intended audience of students and young professionals. The prizes are Rs.15000 for the winner and Rs.10000 for the runner-up, subject to there being four or more competitors.

As per IET rules the presentation room has a raised platform, with a microphone system for the speakers. A laptop and video projector is provided as per standard. The judge ware provided with a brief synopsis of the competitors' presentations. As per rules there were three judges who assessed the presentations and then they decided whom to award the positions of winner and runner-up.

During each presentation, the chair indicates the time after eight minutes and then again after ten minutes. The speaker then finishes the presentation as quickly as possible. If necessary, the chair will interrupt the speaker and ask them to stop immediately. The event was conducted for a full day. The event was co-ordinated by Prof. H R Kulkarni. All faculty members from co-ordinated in making this event successful. Students from all discipline and all classes participated in the event.

Prof R N Baji briefed all the participants about the rules and regulations of the event. Prof Mrs Baji, Prof More and Prof Talmale judged the students presentations. The event was concluded with vote of thanks By Prof H R Kulkarni.

Subject: - Invitation letter to conduct seminar on "Cyber Security & Cloud computing."

Dear Sir,

We are pleased to invite you as a resource person for the Seminar on "Cyber Security & Cloud computing" organized by Electronics & Telecommunication Engineering Department on the date 05.03.24 in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

We will be grateful if you could share your valuable expertise on the topic aforementioned. We hope that the students will be benefitted by participating in this program with the current edge technology on the topic.

We look forward to your presence in the campus as per the schedule attached.

Thanking You,

With warm regards,

Yours Faithfully,

Prof S.B.Borse

PROGRAMME REPORT

➢ **Title of the Program:** Cyber Security & Cloud computing

➢ **Duration of the Program:** 05/03/2024

➢ **Number of Participants:** 68

➢ **Details of Resource Person:**

Mr.Gayas Shaikh & Ms. Semerpreet Kaur

Cyber Security NSD, IRT Technology, Nashik

Contact No. Gayas Shaikh(9325105787), Semerpreet Kaur(8899023545)

➢ **Description of the Program:**

Department of Electronics & Telecommunication Engineering organized a Program on 'Cyber Security & Cloud computing' for Second Year Students. He given information about different applications of Cyber Security & Cloud computing to students. As well as in-depth analysis of a company or organization's cyber risk posture.

➢ **Objectives of the Program:**

- Learn the foundations of Cyber security and threat landscape.
- To equip students with the technical knowledge and skills needed to protect and defend against cyber threats.
- The objectives and interrelations of the cybersecurity strategy.
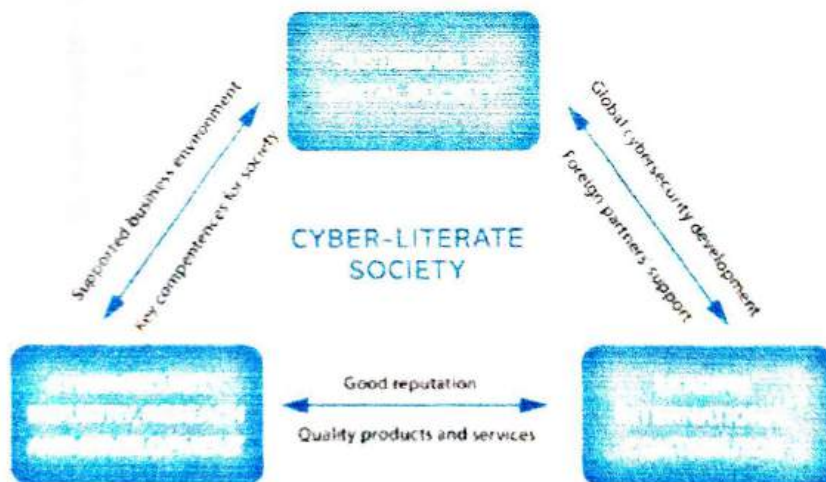

➤ Outcome of the Program:

- Students gained knowledge about Cyber security & cloud computing technologies, knowledge and skills to recognise and respond to common cyber threats, reducing the likelihood of data breaches caused by human error or negligence. Consider a well-crafted phishing email landing in an employee's inbox, seemingly from a trusted source.
- Cloud computing makes accessing data and services over the internet possible. As organizations have shifted operations and data to the cloud in recent years, they've been able to save money and space on data storage centers and servers. Cloud enables tools like Zoom, Microsoft Teams, Google Docs, and more.

Description / Explanation of the Program:

Department of Computer Engineering's SPARC has organized **Seminar on "Git & Github , Fundamental of programming "** conducted by **Mr.Nitin Singh** From **Second year CSE & Mr. Sarvesh Vishwakarma** from **final year CSE** . Respectively Around 80 students from Computer Engineering were present for the seminar. Seminar is all about to give basic knowledge of Git & Github , so students can able to use Git & Github in their tech journey, Github id mainly use for repositories, open source contribution & project management, students come to know about how much Github is useful in terms of open sources contribution , they come to know about some commands of Github that we are using in terminal for uploading their projects on their Github profile as a repositories ,, after seminar we had planned the quiz and on the basis of quiz score students will able to win goodies tha t will be provided **AlgoZenith .** we had used Kahoot platform for quiz it's a awesome platform for conducting quiz . we had selected top 3 winner from the all participants .
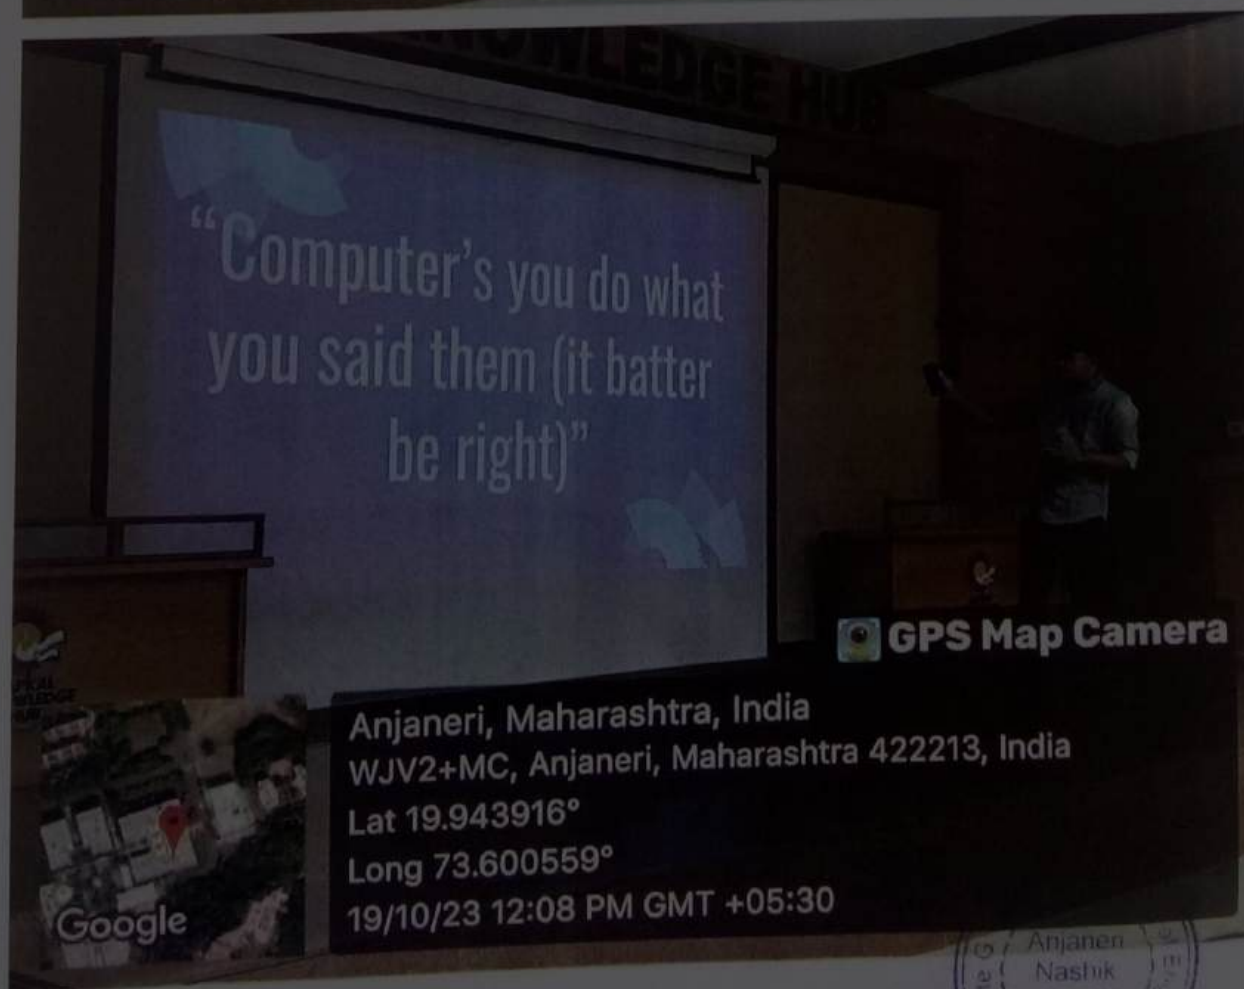

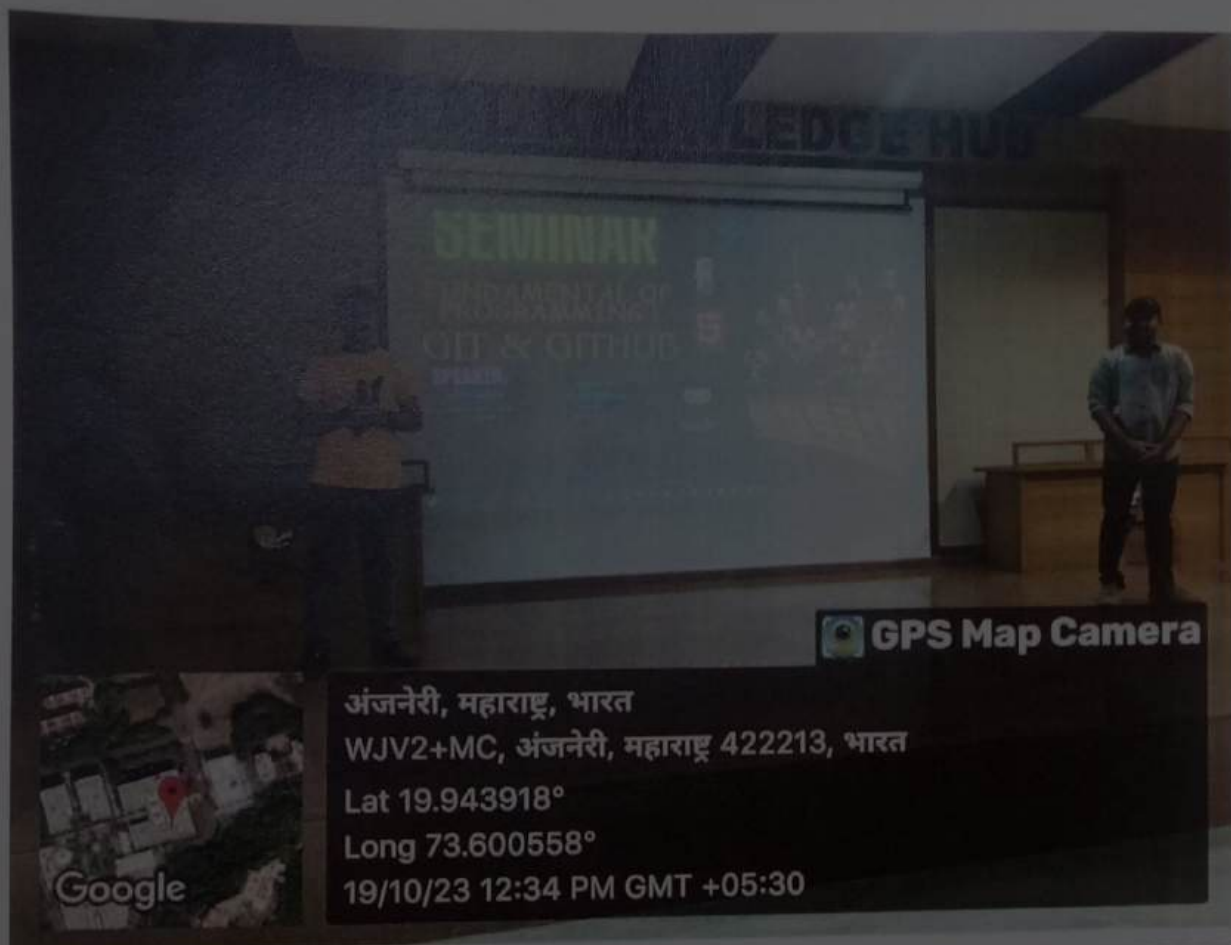

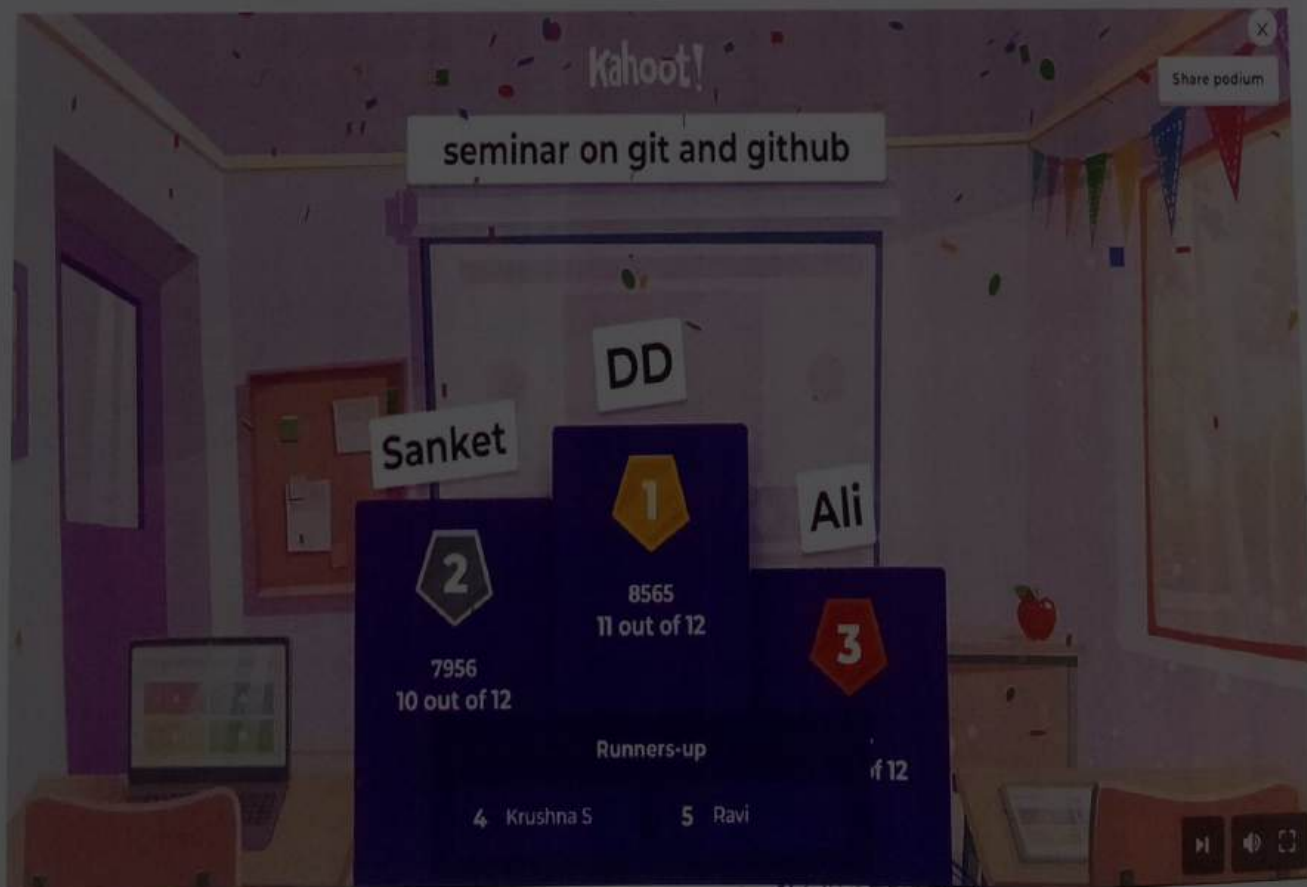

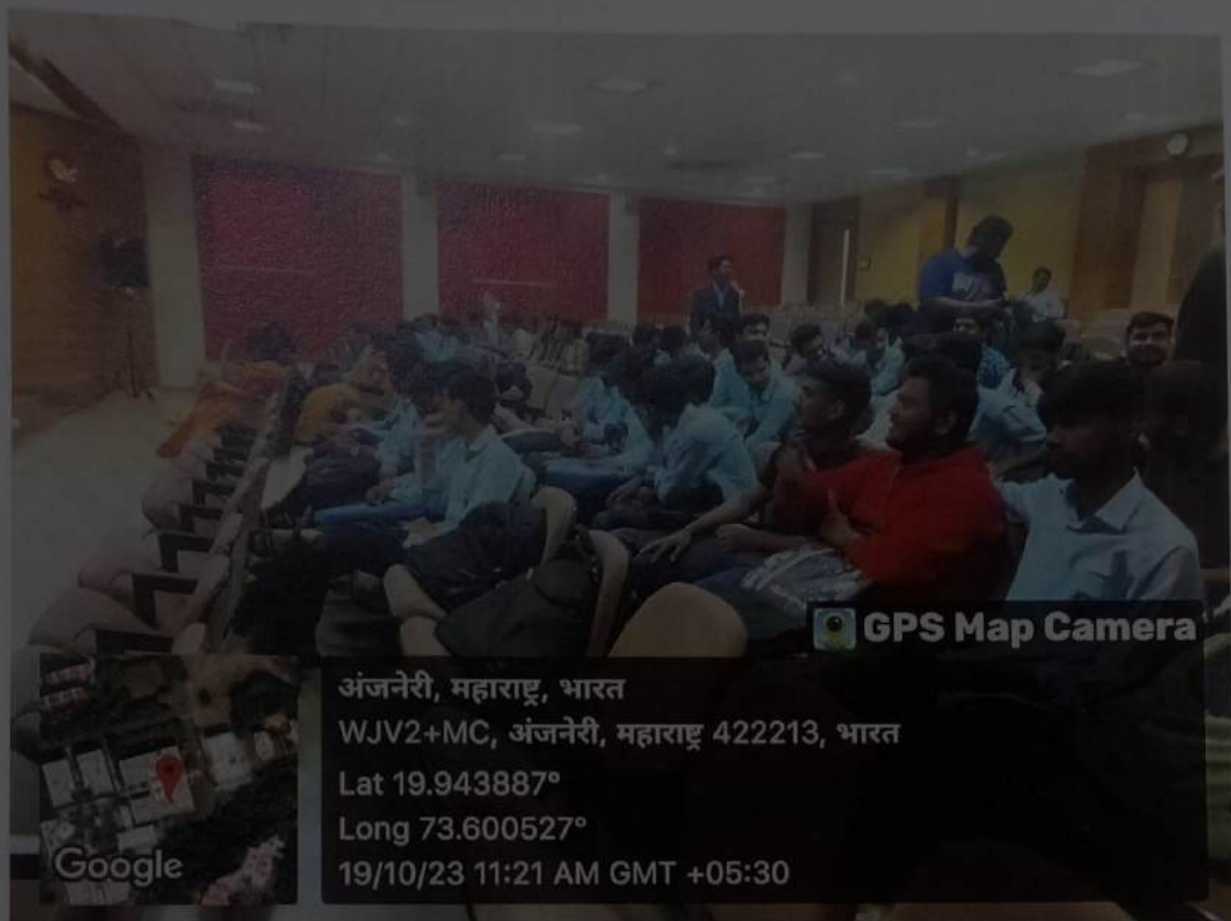

Outcome of the Talk / Event:

1. Students will develop an basic understanding of Git command
2. Get Knowledge about open source , Github , Fundamental of programming.
3. Students after seminar able to use Github Application
