

Department of Civil Engineering

Title- SKH Project e-Competition

Academic Year: 2019-20	Sem: II
Targeted Audience: Students from different Engineering and Polytechnic Colleges.(Diploma, UG)	Duration: 2 month
Organizing Body: CESA	Venue: Civil Department

A. Event Name: SKH Project e-Competition

B. Objectives:

- To give aspirant engineers a creative platform on which to showcase their technical expertise and ideas during Pandemic situation through online mode.
- To anticipate projects involving the novel concepts and technological advancements
- To learn from peers to improve interpersonal and teamwork skills

C. The Context:

For any aspirant engineer, theoretical studies are insufficient. Student exposure to the fundamentals is provided by curriculum-based experiments and practical's. It will take more work to educate students about the newest technologies in accordance with business needs through various technical events. The goal of the Project Competition is to prepare the students for success in the workplace while boosting their self-assurance in managing their workload and public speaking abilities.

D. The Practice:

The event is organized with following rules and regulations

- A maximum of 04 members are allowed in each participating team present their ideas through 3 to 5 minutes video presentation.
- Multiple teams from the same college can participate in the competition.
- The decision of the judges will be final and abiding. Arguments with judges in any form will lead to the disqualification of the team right away.

E. Evidence of Success:
