

Event: Techcy Quiz Competition

Number of Day(s): 01 Day

Dates(s) of Conduction: 9th May, 2024

Time: 11:00am to 8:00pm

Duration: 45 minutes.

Venue: Online App named 'QUIZIZZ'

Number of Participants: 62

Event Objectives:

1. Quiz competition was very interesting and informative, which provide excitement among the students.
The main objective of this event to make them aware of recent general knowledge related to Coding Languages and AI.
2. The goal is to monitor, document, and evaluate students' learning results.
3. Quiz is designed to promote enjoyable learning techniques while also improving overall understanding.
4. Participating in quiz competitions allows students to "think outside the box" or from a variety of angles.
5. Quiz competitions at college help students strengthen their language skills and learn about specialized subjects.
6. The main objective of Online Quiz System is to enhance and upgrade the existing system by increasing its efficiency and effectiveness. The software improves the working methods by replacing the existing manual system with the computer based system.

Techcy Quiz Platform:- Online App named 'QUIZIZZ', this platform that lets deliver instruction that's relevant for every student with a boost from AI. This platform is secure, with multiple platform integrations, SSO, and relevant offerings available.

Description / Explanation of the Event:

Following Aspects were covered in the Coding Quiz Competition:

1. Python basics to advanced concepts
2. HTML Concepts
3. JAVA basics to Advanced Concepts
4. C++ programming based questions
5. Artificial Intelligence basic questions

Outcome of the Event:

1. Students are able to understand the basics of Python, Java, C++, HTML and AI.
2. Quiz helped students to identify what they know and what they don't know.
3. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice.
4. It was very informative and knowledge enriching competition for the participants.
5. Virtual platform based competition gives better experience to the participants.
