To,
The Principal,
LGNS College of Engineering,
Anjaneri, Nashik - 422 213.

Subject: Request to Organize Expert lecture on the occasion of Engineers day for students and faculty members.

Respected Sir,

With reference to the aforementioned subject, Civil Engineering Student Association (CESA) of Civil Engineering in association with IQAC of Late G. N. Sapkal College of Engineering would like to organize an expert lecture by Er. Parth Bhavsar, CEO, Sai Vatsal Structural Consultant, Nashik for SE, TE and BE the students of civil engineering.

We hereby request you to kindly give permission for the same.

Thanking you.

Yours faithfully,

Prof. K. M. Deore
Faculty Coordinator
(CESA)

Prof. Dr. K. A. Salunke
Head of the Department
(Civil Engineering)

Permitted

Department of Civil Engineering

NOTICE

Dear Faculty Members, it is inform you that, on the occasion of Engineers Day 2024, our Civil Engineering Department will be hosting an Expert Lecture on September 14, 2024. This event aims to celebrate the contributions of engineers and provide valuable insights from an esteemed professional in the field.

To ensure the smooth and successful conduction of the program, responsibilities have been assigned to faculty members as follows:

Sr. No.	Responsibility/ties	Name of Faculty
1.	Event Coordinator	Prof. Dr. K. A. Salunke and Prof. K. M. Deore
2.	Venue and Setup	Mr. Navnath Mahale and Mr. Sachin Patil
3.	Guest Invitation & Appreciation	Prof. S. U. Pagar
4.	Publicity and Communication	All Class Coordinators a) Prof. S. H. Tanpure (SE) b) Prof. D. D. Shelke (TE) c) Prof. T. R. Shinde (BE)
5.	Geotagged Photos & Without Geotagged Photos	Prof. A. U. Mankar and Ms Priyanka Ahire
6.	Refreshments and Catering	Prof. D. D. Shelake
7.	Collection of Poster	Prof. T. R. Shinde
8.	Felicitatation of Guest, faculties and CESA committee	Prof. R. R. Kuwar
9.	Attendance of Staff & Students	Prof. N. B. Gawali
10.	Students and resource persons feedback	Prof. N. R. Nimse and Ms Priyanka Ahire
11.	Anchoring & Vote of Thanks	Prof. S. H. Tanpure
12.	Documentation and Follow-Up	Prof. K. M. Deore

Please ensure that all preparations are completed in advance and that any issues are communicated promptly. Your cooperation is essential for the success of this event.

Thank you for your attention and cooperation.

Prof. (Dr.) Ketan A. Salunke

Department of Civil Engineering

NOTICE

(Expert Lecture)

All Civil Engineering Students, please be informed that in celebration of Engineers Day 2024, our Civil Engineering Department in association with IQAC of LGNSCOE will be hosting an Expert Lecture on Saturday, September 14, 2024. This is a valuable opportunity to learn from industry experts and gain insights into the latest developments in the field of civil engineering.

Date: Saturday, September 14, 2024

Time: 12:30 PM to 01:30 PM

Venue: C-F03 (Classroom)

We encourage all students to attend this informative event.

We look forward to your active participation in this enriching and informative program.

Thank you for your attention and participation.

Prof. K. M. Deore
Faculty Coordinator
CESA

Activity Report

Particulars	Description
Department	Civil Engineering
Activity	Expert Talk
Activity level	College level
Title	Steel building construction and detailing
Organized by	Department of Civil Engineering and Civil Engineering Students Association (CESA) in association with IQAC of LGNSCOE.
Venue	C-F03 (Classroom)
Date	September 14, 2024
Time	12:30 PM to 01:30 PM
Objectives of the activity	1. To Educate Students on Steel Construction: Provide in-depth knowledge about the principles and practices of steel building construction. 2. To Highlight the Importance of Detailing: Emphasize the significance of precise detailing in ensuring structural integrity and safety. 3. To Bridge Theory and Practice: Connect theoretical knowledge from the classroom with real-world applications in the engineering industry. 4. To Foster Professional Development: Encourage students to engage with industry practices and trends, enhancing their readiness for future careers.
Outcomes of activity	1. Increased Knowledge and Awareness: Students gained a comprehensive understanding of steel building construction and the critical role of detailing in ensuring structural integrity. 2. Enhanced Engagement: The interactive nature of the session encouraged students to actively participate, fostering a deeper interest in the subject. 3. Practical Insights: Students received practical knowledge that can be directly applied to their academic projects and future careers, bridging the gap between classroom learning and real-world applications.

Particulars	Description
	4. Professional Development: The talk motivated students to explore advancements in engineering technology and trends, preparing them for future challenges in the industry.
Targeted Participants	60
Total no. of Participants & % of students	47 (78.33 %)
Speaker / Resource Person	1. Name: Er. Parth Bhavsar 2. Designation & Organization: CEO, Sai Vatsal Structural Consultant, Nashik. 3. Mobile No.: 9766289698
Content of the activity	Steel building construction and detailing
Relevance to POs	PO 07 Understand the impact of the civil engineering solutions in societal and environmental contexts. PO 08 Apply ethical principles and commit to professional ethics, responsibilities and norms of the civil engineering practice. PO 09 Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings. PO 10 Communicate effectively on civil engineering activities with the engineering community and with society at large. PO 11 Demonstrate knowledge and understanding of management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments. PO 12 Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.
Relevance to PSOs	PSO 02 Understand rate analysis, quantity survey, field survey, project management tools, project cost estimation preparation and project planning.
Methodology used	1. Power point presentation. 2. Presentation with notes and comments. 3. Discussion
Brief Description of the activity	Expert Speaker The expert talk was delivered by Mr. Parth Bhavsar, a renowned

Particulars	Description
	expert in the field of steel construction. Mr. Bhavsar's extensive experience and expertise in the industry made him an ideal speaker for this event. Key Topics Covered The expert talk covered a wide range of topics related to steel building construction and detailing, including: Design principles: The fundamental principles and methodologies used in the design of steel structures. Construction techniques: The various construction techniques employed in the erection and assembly of steel buildings. Detailing requirements: The importance of accurate and precise detailing in steel construction. Material selection: The selection of appropriate steel materials and their properties. Code compliance: Adherence to relevant building codes and standards. Case studies: Real-world examples of steel building projects to illustrate design and construction concepts.
