Title	Expert Talk on “Object-Oriented Programming and Standard Template Library”
Organized By	Department of Computer Engineering
Venue	PGR Laboratory
Date	23/08/2024
Time	10:30 am
Objectives of the activity	1. Students will gain a comprehensive understanding of Object-Oriented Programming (OOP) ideas and concepts. 2. To provide insights into the Standard Template Library (STL) and its application in modern programming. 3. To enhance practical coding skills and problem-solving abilities through hands-on exercises and real-world examples.
Outcomes of activity	1. Students gained a comprehensive understanding of Object-Oriented Programming (OOP) principles and their practical applications. 2. Developed proficiency in using the Standard Template Library (STL) for modern programming tasks. 3. Improved practical coding skills and problem-solving abilities through hands-on exercises and real-world programming examples.

Subject: - Thanks giving letter.

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted expert talk on **"Object-Oriented Programming and Standard Template Library"**.

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of expert talk on **"Object-Oriented Programming and Standard Template Library"**. It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.
