**Subject:** - Invitation letter to deliver a Expert talk on Start-up Ecosystem.

Respected Sir,

We are pleased to invite you to deliver a Expert Talk on "Start-up Ecosystem" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of all departments of our college. Kindly provide convenient date for valuable program.

The tentative day, date and time for this program is Friday, 15<sup>th</sup> September, 2023 at 11:00 AM

Please make it convenient to visit our campus and oblige.

Thanking You,

With warm regards.

Yours Sincerely,

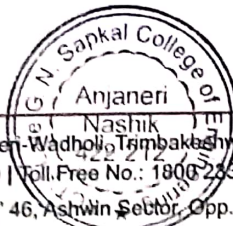

Prof. S. R. Agrawal  
Program  
Coordinator

**Subject:** - Thanks giving letter.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Expert talk on "Start-up Ecosystem".

On behalf of our institute we take this opportunity to express our appreciation to you for the Expert Talk under the subject of "Start-up Ecosystem". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

## Title of the Program: Expert Talk on "Start-up Ecosystem"

Number of Day(s): 01 Day

Dates(s) of Conduction:

From 15/09/2023 to 15/09/2023

Venue: Seminar Hall of Engineering

Number of Participants: 117

### Program Objectives:

1. To propagate the awareness of starting start-ups with the details of various government processes.
2. To disseminate the information related to various schemes and links published by Government.

### Name & Contact Details of the Resource Person(s):

Er. Shreekant Patil,  
Mentor MAARG Startup, India,  
Chairman, Startup Council Committee,  
NIMA, Nashik

Mobile: 9823018722

### Description / Explanation of the Program:

Department of Computer Engineering has organized Expert Talk on "Start-up Ecosystem" conducted by Er. Shreekant Patil from Chairman, Startup Council Committee, NIMA, Nashik

Around 117 students & staff members from all department of engineering were present for the expert talk.

Students had the privilege of gaining insights into the dynamic world of start-ups, the significance of incubation centres, personal development strategies, and effective time management techniques. The lecture also delved into valuable Indian government schemes for start-ups and highlighted key websites that provide essential resources in the Indian start-up sector. The lecture began by elucidating the fundamental concepts of start-ups, emphasizing their role as drivers of innovation, job creation, and economic growth. Students were encouraged to explore their entrepreneurial aspirations and consider the entrepreneurial mind-set as a viable career path.

The significance of incubation centres in nurturing start-up ideas and fostering entrepreneurial growth was a central theme. The lecture underscored how these centres provide invaluable resources, mentorship, and networking opportunities to help start-ups thrive. Students were encouraged to leverage these incubation centres as fertile ground for their entrepreneurial ventures.

A substantial portion of the lecture was devoted to personal development. Students were reminded that success in the start-up world is not only about business acumen but also about personal growth. They learned about the importance of self-awareness, emotional intelligence, and resilience in navigating the challenges of entrepreneurship. Recognizing the demands of time in the fast-paced start-up environment, effective time management techniques were shared. Students were introduced to strategies such as prioritization, goal setting, and the Pomodoro Technique to optimize productivity and maintain a work-life balance. The lecture also shed light on various Indian government schemes and initiatives designed to support budding entrepreneurs. Students were informed about schemes like the "Start-up India" program, which provides financial incentives, tax benefits, and regulatory support to start-ups. Understanding these schemes was emphasized as a crucial step in the start-up journey. To equip students with practical tools and knowledge, the lecture concluded by highlighting various websites and online platforms that offer valuable resources for aspiring entrepreneurs. These resources included funding databases, networking platforms, and educational materials specific to the Indian start-up ecosystem.

In summary, this guest lecture aimed to empower students with a comprehensive understanding of start-ups, the role of incubation centres, the importance of personal development, and effective time management. Additionally, it equipped them with knowledge of government schemes and online resources, providing them with the tools and inspiration needed to embark on a successful entrepreneurial journey in the Indian start-up landscape.

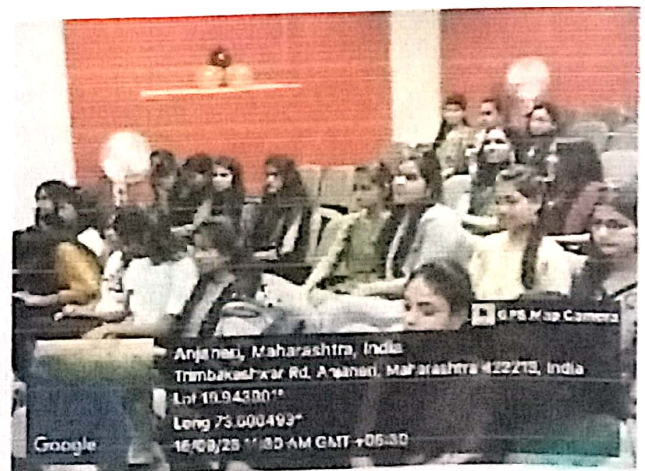

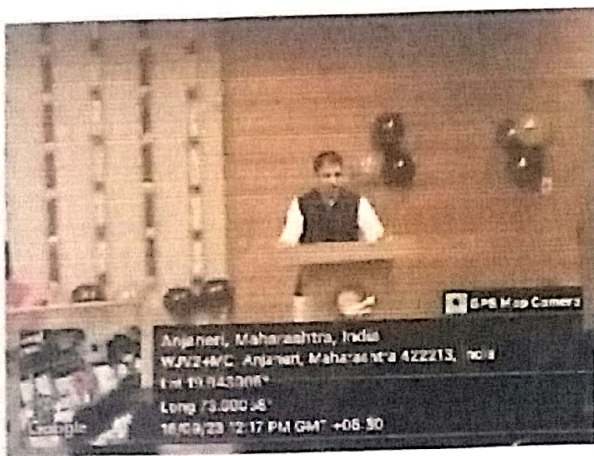

#### **Outcome of the Talk / Event:**

1. Process, platform and Government processes and rules for discussing the ideas for start-ups is known to the students.
2. Links for skill development, innovation, start-ups are now available with the students which may be helpful for them.
