Subject: - Invitation letter to deliver a One day Seminar on "LaTeX: Hands- on Workshop"

Respected Sir,

We are pleased to invite you to deliver a One day Seminar on "LaTeX: Hands- on Workshop" organized by Electrical Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of all departments of our college. Kindly provide convenient date for valuable webinar. The tentative day, date and time for this program is Wednesday, 21st August, 2024 at 11:45 AM for Please make it convenient to visit our campus and oblige.

Thanking You,

With warm regards.

Yours Sincerely,

Prof. M. T. Patel
Program Coordinator

Prof. Dr. V. A. Kolhe
IQAC Coordinator

Prof. R. N. Baji
HOD, Electrical Engg.

Prof. (Dr.) S. B. Bagal
Principal

Activity Report

Particulars	Description
Department	Electrical Engineering
Activity	Expert Talk
Activity level	Department
Title	"One day "LaTeX: Hands-on Workshop"
Organized by	Electrical Department
Venue	Electrical Computer Lab.
Date	21/08/2024
Time	01.00 PM
Objectives of the activity	1. Students will be able to use various report writing tools and emphasize on LaTeX.
Outcomes of activity	1. Students will be able to develop a well-organized report and presentation by using LaTeX. 2. Students will be use LaTeX easily for their presentations in future.
Targeted Participants	TE & BE Electrical Engineering Students.
Total no. of Participants & % of students	47 100%
Speaker / Resource Person	1. Name: Prof. Shweta Wankhede, 2. Designation & Organization: Assi. Professor., K. K. Wagh Institute of Engineering Education & Research, Nashik 3. Mobile No.: 9404080267
Content of the activity	1. Concept of Latex 2. Necessary Commands of Latex 3. Online Tools For Latex 4. Latex Journal Templets.

Kalyani Charitable Trust's

Late G. N. Sapkal College of Engineering

Kalyani Hills, Anjaneri, Trimbakeshwar Road, Nashik – 422 213

Particulars	Description
Relevance to POs	PO-1 PO-5 PO-8
Relevance to PSOs	1. Apply knowledge of mathematics, science and electrical engineering fundamentals to solve complex problems in energy and power sector.
Methodology used	1. Power point presentation. 2. Discussion. 3. Practice
Brief Description of the activity	1. One day "LaTeX: Hands-on Workshop" by Prof. Shweta Wankhede was organized on 21/08/2024 by Department of Electrical Engineering under Electrical Engineering Students Association (EESA) in association with IQAC for the students of SE & TE (Electrical Engineering). Prof. Shweta Wankhede is currently working as Asst. Professor in E & TC department of K. K. Wagh IEER. She has extensive 8 years of experience in teaching field from various institutes of Nashik. 2. LaTeX is a software system for typesetting documents LaTeX offers extremely good control over the formatting of documents. Latex is widely used in academia for the communication and publication of scientific documents and technical note-taking in many fields, owing partially to its support for complex mathematical notation. It also has a prominent role in the preparation and publication of books and articles that contain complex multilingual materials, such as Arabic and Greek. 3. Around 47 students from Electrical Engineering were present for the workshop. All the aspects of LaTeX including its importance are covered with hands-on training and live demonstration. Few frequently used commands were demonstrated during the workshop. In summary, the workshop aimed to empower students with a powerful tool for report writing and different presentations.

Subject: - Appreciation letter.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell, Nashik, conducted One day Seminar on "LaTeX: Hands- on Workshop".

On behalf of our institute we take this opportunity to express our appreciation to you for the One day Seminar on "LaTeX: Hands- on Workshop". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

With warm regards.

Thanking You,

Received
Shweta

Activity Report

Particulars	Description
Department	Electrical Engineering
Activity	Seminar on Career Counseling
Activity level	Departmental
Title	Goal Setting & Achievement
Organized by	Electrical Engineering Department in association with EESA & IQAC Cell
Venue	Class Room
Date	20/09/2024
Time	12.30 PM
Objectives of the activity	1. Students able to define an exposure to a clear roadmap to be follow. 2. Students able to develop and build self-confidence and self-esteem.
Outcomes of activity	1.Goal setting & road map to achieve the goal 2.Build self-confidence through achievement of goals
Targeted Participants	Under Graduate
Total no. of Participants & % of students	60 100%
Speaker / Resource Person	1. Name: Nijanand Deshpande 2. Designation & Organization: Life Coach & freelance Writer in Nashik-Times 3. Mobile No.: 9970027467
Content of the activity	Life Reorientation
Relevance to POs	PO(08): Apply ethical principles and commit to professional ethics, responsibilities and norms of the electrical engineering practice. PO (09) :Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings. PO (10):Communicate effectively on electrical engineering activities with the engineering community and with society at large

Particulars	Description
	PO (12) Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.
Relevance to PSOs	3.To inculcate Professional attributes & ethics to work in Team
Methodology used	1. Power point presentation. 2. Discussion
Brief Description of the activity	1. Greater Confidence: Achieving your goals can boost their confidence and self-esteem, helping themselves tackle new challenges with greater ease. Better time management: Goals can help students prioritize their time and focus on the most important tasks, increasing productivity and efficiency. 2. Goal setting provides a sense of direction and focus, which helps in altering the behaviours and attitudes required to accomplish the objectives. It gives learner momentum and a thrust that pushes them in the direction of self-mastery to improve every day and be resilient in challenging times.

Subject: - Invitation letter to deliver a Expert talk on "Career Counseling & Future Studies Opportunities"

Respected Sir,

We are pleased to invite you to deliver a Seminar on "Career Counseling & Future Studies

Opportunities" organized by Electrical Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of all departments of our college. Kindly provide convenient date for valuable Expert talk.

The tentative day, date and time for this program is Wednesday, 25th September, 2024 at 11 AM. Please make it convenient to visit our campus and oblige.

Thanking You,

With warm regards.

Yours Sincerely,

Prof. M. T. Patel

Activity Report

Particulars	Description
Department	Electrical Engineering
Activity	Expert Talk
Activity level	Departmental
Title	Expert Talk on "Career Counselling & Future Studies Opportunities "on the occasion of Teachers Day & Engineers Day.
Organized by	Electrical Department
Venue	Seminar Hall
Date	25/09/2024
Time	12.30 PM
Objectives of the activity	1. To facilitate student's potentials to equip them with functional knowledge, values and attitudes, desirable habits and skills needed by them to cope up with the changes in their environment 2. To help students in coming up with personal career goals 3. To enlighten students on various career opportunities
Outcomes of activity	1. Students will develop and maintain habits that support continuous learning and personal growth. 2. Students will identify and articulate clear, achievable personal goals aligned with their interests and values. 3. Students will research and summarize information about diverse career paths, including required qualifications and potential career trajectories.
Targeted Participants	Under Graduate
Total no. of Participants & % of students	60 100%
Speaker / Resource	1. Name: Mr. Vishal Patil 2. Designation & Organization: Business Head Manager, GATEFORUM, Nashik

Particulars	Description
Person	3. Mobile No.: 8888559922
Content of the activity	Career exploration and goal-setting activities
Relevance to POs	PO6, PO9, PO10
Relevance to PSOs	PSO1, PSO2
Methodology used	1. Power point presentation. 2. Discussion 3. Speeches
Brief Description of the activity	1. The session was dedicated at guiding students in making better career choices in all domains of their interest and also gives to them the information of the possible upcoming opportunities in both the government and the private sector. The speaker has rich experience of both industry and academics. 2. The speaker explained in detail the important concepts of GATE. The session was highly informative and motivating. The speaker engaged the students in continuous one on one discussion which made it even more interesting. The speaker also answered lots of queries of the audience. 3. Teachers' Day is celebrated to honour and appreciate the contributions of teachers to education and society. Teachers are felicitated by students with bucket as a token of respect. 4. Engineers' Day is observed to celebrate the role of engineers in technological advancement and societal development. In this event first three Toppers are felicitated, thereby encouraging a culture of innovation and excellence within the engineering community.

Subject: Letter of Appreciation

Dear Sir,

Thank you very much for delivering an informative and enlightening lecture as a guest speaker for Expert talk on **"Career Counseling & Future Studies Opportunities "** on 25 September 2024, at Department of Electrical Engineering, Late G. N. Sapkal College of Engineering, Anjaneri, Nashik.

We deeply appreciate your contribution to the seminar, thank you so much for sharing your time and experiences with us.

Participants really appreciated your work & will surely get benefited from your views on topic.

Looking forward for your cooperation for the promotion of professional education in future as well.

Yours Sincerely,

Prof. R.N. Baji

Activity Report

Particulars	Description
Department	Electrical Engineering
Activity	Expert Talk
Activity level	Departmental
Title	Expert Talk on " Road Safety & awareness" on the occasion of National Safety Day on 4 th March 2025.
Organized by	EESA with Electrical Engg.Department in association with IQAC
Venue	Computer Lab, Electrical Department
Date	28.02.2025
Time	10.30 AM
Objectives of the activity	1. Educate Students – Increase awareness about traffic rules, road signs, and safety measures to prevent accidents. 2. Promote Safe Driving & Walking Habits – Encourage responsible driving, use of helmets and seatbelts, and safe pedestrian behavior. 3. Reduce Road Accidents – Create awareness to minimize accidents and injuries through responsible road usage. 4. Encourage First Aid Knowledge – Educate students on basic first aid for road accident victims. 5. Highlight the Importance of Traffic Rules – Emphasize the consequences of traffic violations and the importance of discipline on the road.
Outcomes of activity	1. Students will gain knowledge about road safety rules, traffic signs, and accident prevention measures. 2. Students will Encourages responsible road habits such as wearing helmets, seatbelts, and following traffic signals. 3. Students will be more mindful of traffic rules, reducing violations like over speeding and signal jumping. 4. Students will understand the basics of providing first aid in case of road accidents. 5. Increased engagement of students & employees, in promoting road safety within their surroundings.
Targeted	Under Graduate (BE)

Subject: - Conduction & Appreciation Letter

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering & Electrical Engineering Students Association (EESA) of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted **"Road Safety & awareness" on 28.02.2025**

On behalf of our institute we take this opportunity to express our appreciation to you for **expert talk**. It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Thanking You,

With warm regards.

प्रति,
 प्रादेशिक परिवहन अधिकारी,
 नाशिक विभाग,
 नाशिक.

विषय: रस्ते सुरक्षा जनजागृती व सांस्कृतिक कार्यक्रमासाठी निमंत्रण.

महोदय,

आपणास कळविण्यात आनंद होत आहे की, कल्याणी चॅरिटेबल ट्रस्ट संचालित, सपकाळ नॉलेज हब अंजनेरी, नाशिक यांच्या वतीने दिनांक 28.02.2025 रोजी अयोजित केलेल्या महासंस्कृतिक कार्यक्रमाच्या निमित्ताने रस्ते सुरक्षा जनजागृती व सांस्कृतिक कार्यक्रमाचे आयोजन करण्यात आले आहे. या कार्यक्रमाचा मुख्य उद्देश युवकांमध्ये रस्ते सुरक्षेची जाणीव निर्माण करणे तसेच सांस्कृतिक कार्यक्रमाच्या माध्यमातून जनहिताचा संदेश देणे हा आहे.

आपली उपस्थिती आम्हा सर्वासाठी प्रेरणादायी ठरेल. आपण या कार्यक्रमाला उपस्थित राहून मार्गदर्शन करावे ही नम्र विनंती.

कार्यक्रमाची माहिती पुढीलप्रमाणे :

दिनांक: 28.02.2025

वेळ: 10:00AM

स्थळ: कल्याणी चॅरिटेबल ट्रस्ट, स्व. जी. एन. सपकाळ अभियांत्रिकी महाविद्यालय, अंजनेरी, नाशिक

आपल्या उपस्थितीने कार्यक्रमाची शोभा वाढेल व रस्ते सुरक्षेच्या जनजागृतीस हातभार लागेल. कृपया आपली उपस्थिती कळवावी.

धन्यवाद!

Activity Report

3

Particulars	Description
Department	Electrical Engineering
Activity	Expert Talk
Activity level	Department
Title	Role of Electrical Engineers in Automation Industry
Organized by	Electrical Engineering Department in association with EESA & IQAC Cell
Venue	Class Room
Date	09/04/2025
Time	11.30 AM Onwards
Objectives of the activity	1. To enhance the knowledge of students in Industrial Automation. 2. To understand role of PLC and SCADA in industrial automation.
Outcomes of activity	1. Improve knowledge and skills to design and automation systems. 2. Improve knowledge in PLC and SCADA systems in industries.
Targeted Participants	Under Graduate
Total no. of Participants & % of students	42 95%
Speaker / Resource Person	1. Name: Mr. Aniket Jagtap 2. Designation & Organization: (Manager, Prolific Systems & Technologies Pvt. Ltd. Mumbai.). 3. Mobile No.: 8975557209/07972293066
Content of the activity	PLC and SCADA in Automation systems.
Relevance to POs	PO (05), PO (07), PO (09), PO (10), PO (12)
Relevance to PSOs	PSO (01), PSO (02)
Methodology used	1. Power point presentation. 2. Discussion

Particulars	Description
Brief Description of the activity	1. Expert Talk was organized by Department of Electrical Engineering in association with IQAC cell. Prof. S. S. Tidke introduced the speaker Mr. Aniket Jagtap, Marketing Head & Automation Engineer Prolific Systems & Technologies Pvt. Ltd. Mumbai. He has been working in Electrical Engineering field for the last 11 years and have trained 12 batches in automation. 2. The guest speaker gave an extensive speech on opportunities for electrical engineering fresher's students in automation. The speech was centred on "Scope of PLC and SCADA in Automation". Apart from curriculum, specialised training is must to secure challenging position in competitive arena. Industries look towards skilled engineers immediate joining on field work not an engineer with lack of technical skills which needs to be trained. 3. After an interactive question and answer session, Prof. S. S. Tidke proposed vote of thanks.

Activity Report

Particulars	Description
Department	Electrical Engineering
Activity	Seminar
Activity level	Departmental
Title	Seminar on "Career Opportunities in Industrial Automation"
Organized by	EESA with Electrical Eng. Department in association with IQAC
Venue	Class Room, Electrical Department
Date	25.03.2025
Time	10.00 AM to 2PM
Objectives of the activity	1. Automation Engineer – Designs, develops, and implements automation systems to improve processes, reduce costs. 2. Automation Technician – Installs, maintains, and repairs automation systems, often specializing in areas like PLC programming or robotics. 3. Project Manager – Oversees the planning, execution, and completion of automation projects, ensuring they are on time and within budget. 4. Robotics Engineer – Specializes in the design, programming, and maintenance of robotic systems used in manufacturing and other industries.
Outcomes of activity	1. Students will be able to learn design, programs, and maintains automated systems and machinery, focusing on optimizing processes for efficiency and safety. 2. Students will be able to develops and manages control systems for industrial automation, ensuring precise and reliable operation. 3. Students will be able to develops and maintains programs for Programmable Logic Controllers (PLCs), which are essential for controlling automation systems. 4. Students will be able to ensures that automated systems and robots are running smoothly, performing regular maintenance and repairs.
Targeted Participants	Under Graduate (BE)
Total no. of Participants & % of students	40 80%

Particulars	Description
Speaker / Resource Person	Name: Mr. Santosh Binnor MD: Visionary Technologies (VIATA), Office No.2, Ast floor, Vijay Chamber, Above VI Showroom, Nashik Mobile No.: 97888013129
Content of the activity	Introduced how career in industrial automation provides diverse opportunities, including roles like Automation Engineer, Control Systems Engineer, Robotics Engineer, and PLC Programmer, with the potential to work in various industries like manufacturing, energy, and healthcare, leading to increased productivity, safety, and job satisfaction.
Relevance to POs	PO-3 Design and develop solutions for complex electrical engineering problems to meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations. PO-12: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.
Relevance to PSOs	PSO 1: Apply knowledge of mathematics, science and electrical engineering fundamentals to solve complex problems in energy and power sector.
Methodology used	- Speeches - Discussion using PPT and Blackboard
Brief Description of the activity	- The seminar talk on "Career Opportunities in Industrial Automation" is an industrial training session aimed at promoting a more detailed look at career opportunities in industrial automation. It also provides opportunities, including roles like Automation Engineer, Control Systems Engineer, Robotics Engineer, and PLC Programmer, with the potential to work in various industries like manufacturing, energy, and healthcare, leading to increased productivity, safety, and job satisfaction. - Through interactive discussions, real-life case studies, and Q&A sessions, the future of industrial automation will be shaped by the integration of emerging technologies such as the Internet of Things (IoT), augmented reality (AR), and additive manufacturing (3D printing).

Subject: - Invitation letter to deliver a Seminar on “Soft Skill : Ethics & Behavior in Industry”.

Respected Sir,

We are pleased to invite you to deliver a Seminar on “Soft Skill: Ethics & Behavior in Industry”. organized by Electrical Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of our departments of college. Kindly provide convenient date for valuable webinar.

The tentative day, date and time for this program is Wednesday 09 April 2025, at 11.30 AM

Thanking You,

With warm regards,

Yours Sincerely,

Received

Subject: - Conduction & Appreciation Letter

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted "Soft Skill : Ethics & Behavior in Industry "

On behalf of our institute we take this opportunity to express our appreciation to you .It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Thanking You,
With warm regards.

Prof. (Dr.) S. B. Bagal
