Objectives of Workshop: The main objectives of the Seminar were : <ul style="list-style-type: none"> • Develop critical thinking skills necessary to solve problems. • Generate new ideas through creative thinking. • Use efficient learning techniques to acquire and apply new knowledge and skills. • Set specific goals; recognize constraints, alternatives, and risks; and evaluate and choose the best option. • Demonstrate proficiency in reading, writing, mathematics, science, world language, listening, speaking, viewing, and media literacy. • Work with a variety of technologies. • Develop career awareness and planning, employability skills and foundational knowledge necessary for success in the workplace. 	
Briefs of Workshop: The Seminar started with the welcome and introduction of resource person followed by felicitation of resource persons by Principal , Prof (Dr).S.B.Bagal and H.O.D, Prof S.B.Borse. During this Seminar faculties and Students acquired the knowledge of following things- Having confidence in the workplace can be crucial to your overall success. Confidence can make you more motivated and ambitious, less anxious and stressed. Unfortunately, however, not everyone's born with self-confidence and must instead learn how to develop this inner strength. Confidence helps us feel ready for life's experiences. When we're confident, we're more likely to move forward with people and opportunities not back away from them and if things don't work out at first, confidence helps us try again.	
Five Benefits of Self-Confidence <ul style="list-style-type: none"> • Experience less fear and anxiety. ... • Increase your motivation. ... • You'll have more resilience. ... 	

- Your relationships will improve. ...
- The Authentic You Will Shine Through.

The Program ended with formal vote of thanks by Prof S.G.Bagul, followed by national anthem.
