To Whom It May Concern,

This is to certify that **Laukik Bagul** has been employed with Quantify Data Solutions as a Full Stack Developer from **2nd Jan 2025 to 20th Feb 2025**.

During their tenure, he played a pivotal role in the development, design, and implementation of various web projects, contributing significantly to the success of our company. They demonstrated expertise in multiple technologies, including HTML, CSS, JavaScript, and other web development tools. Their responsibilities included:

Developing and maintaining the front-end and back-end architecture of websites.
Collaborating with other teams to design and implement user-centric web applications.

Ensuring responsive design and optimized user experiences across various platforms and devices.

Implementing interactive features using JavaScript and enhancing website functionality.

Writing clean, scalable, and efficient code, while ensuring high standards of quality and performance.

Laukik Bagul demonstrated excellent problem-solving, creativity, and a strong commitment to timely project delivery. Their technical skills, attention to detail, and teamwork made them a valuable asset to our company. We wish them continued success in their future career.
